2027 Pony Pro Team Application

The Performance Pony Company is faith-based company dedicated to providing products, education and opportunities that allow riders and their ponies to communicate effectively, learn life skills and achieve their goals inside and outside of the arena.

"And let us consider how we may spur one another on toward love and good deeds." Hebrews 10:24

Thank you for your interest in the Performance Pony Company's "Pony Pro Team". Our mission is to bridge the pony tack gap and help people of all ages grow, learn and be successful with their ponies and small horses. We are searching for hard-working, passionate, pony-loving representatives to help spread the word and share their knowledge about ponies and the P.P.C. products that help riders gain control and confidence.

This program not only shines a light on pony pro riders, more than that, it allows riders to learn life-skills at a young age that will impact them for years to come. Creating videos, partaking in mindset and character-building activities, talking in large groups, interviewing people they look up to, learning from professionals. etc. This program is a unique experience in the industry that will have a lasting impact. You will get out of it what you put into it. We do want to note that does take a commitment for parents as well and before we even get started, we want to you to know how much we appreciate your involvement and trusting us to be a part of growing and guiding your children. We do not take this responsibility lightly.

Pony Pro Perks:

- P.P.C. Long sleeved button-up shirt
- 6 iron-on patches
- P.P.C. Logo Cap
- 20% off all P.P.C. products
- 10% off discount cards for family, friends and people you meet along the way
- Pony Pro Spotlight on social media

- Bi-monthly Zoom meetings with your fellow teammates and guest speakers

- Being a part of a nationwide team of competitive, hardworking, God loving individuals, just like you!

How it works:

We alternate monthly between team zooms and individual challenges. You will be able to find topics, challenges, and preparations for each month in the Pony Pro portal. You will gain access to the portal if and when you are chosen as a team member.

- Team zooms: During team zooms we will engage in team games and activities that help us make friends, learn about our ponies, strategize ways to make us better riders and competitors, ask questions, and learn

from guest speakers. You will have a couple questions and place to upload a picture of the activity and/or you and your pony after the zooms in the Pony Pro program portal.

- Individual Challenges: On the months we don't have a zoom, you will have a challenge to complete by creating a video answering or performing the challenge. These will range from interviews to drills to answering questions about obstacles you've overcome. You will post your challenges in the portal when completed each month and we will use that information to share with others and grow the pony world inside and outside of the arena!
- Pony Pro News Feed: We have our own, safe place for Pony Pros to share pictures, videos, ask questions, find updates and learn from each other on the Pony Pro news feed. We control who can access this feed to keep our young friends as safe as possible.
- Pony Pro Spotlights: With the information provided on your application, we will create a Pony Pro spotlight for each team member to share with your friends and family! We will no longer be including the towns, only the states Pony Pros live in to keep them safe from the crazies of the world.
